

The event was very educational, and I'm sure we all learned a lot. *Jonas P.*

The event was very nice and informative, and I'm sure that it is very useful in the future. *Jonas P.*

The event was really exciting and Dr. Krotzky was very wise and also funny, so I really appreciated his appearance. *Stig S.*

Personally I learned a lot from this lecture and it widened my horizon. I can surely see myself in the biotechnological business, it seems very exciting and like there is and like there is a lot of work in the next many years to come.

The visit was very exciting, and we learned a lot. It was nice to see that Dr. Krotzky was so engaged. *Andreas F.*

I found it very exciting. I learned a lot and it has come to my notice, that what we learned already has been very useful in our education. *Pernille J.*

The visit was very exciting and I noticed, that our education is very relevant in modern biotechnology and for the future to understand the nature and at last the human. *Christoffer R.*

It was very interesting and it gave a lot of insight. *Dennis A.*

I'm really glad that we got the opportunity to meet Dr. Krotzky. It was really interesting and it gave me the interest of pursue my studies in sciences. Furthermore I was amazed by Dr. Krotzkys engagement. It was a great experience. *Audrey A.*

I think it was a very good day we had at Biotec Park. It was a good and interesting lecture by Dr. Krotzky, he knew a lot about what he talked about. *Frederikke K.*

I think it was an interesting day. It was funny and exciting to hear the lecture, and I got very inspired. *Julie N.*

Ich finde es sehr gut und interessant. *Vinuja V.*

It was a very good experience to see how biotechnology can be used in the real world. Dr. Krotzky was very engaged and it was very interesting to listen to him. *Maria M.*

I found the visit interesting. Dr. Krotzkys lecture was very informative. *Annica A.*

Great show! I learned a lot. *Rasmus R.*

I was really surprised that Dr. Krotzky was so committed. The visit was so interesting, and it really made me consider a future with biotechnology. *Steffen H.*

Really interesting presentation. Amazing how the audience was caught by it. Thank you for at great experience. *Kristoffer M. J.*

It was very interesting to visit Biotech park, and I feel that I learned a lot. *Maria N.*

Thanks for the lecture. Too bad that it isn't possible to buy Metanomic stocks on the Danish OMX20 C20.
Patrick J.

Thank you for the most interesting presentation on the whole trip. I was both interesting and informative with both passion and a bit of humor. *Benjamin M. J.*
